BOOK SYNOPSIS

This is a very special book. It is a book that comes from many painful tragedies experienced by women all over the world. But it is also a book of hope. It is a book that comes from the heartfelt desire of a small team of people working at the nations first Safety-from-Violence(TM) Lab. Everyday there are thousands of people discussing the problem of violence against women without offering a viable solution. In this book you will find a viable solution, one that you can start using right away, its called the Close Call Method. The Close Call Method(TM) can be learned by anyone at any age and doesnt require physical self-defense training. It is, as one of our undercover operatives put it "self-defense for the brain." It is more likely to keep you safe than any weapon, any paradigm, even 911. Over 200 people were involved in creating this book and every one of us wants you to be safe. So buy this book and lets get started.
