## BOOK SYNOPSIS

Ball Four is a baseball classic, a number one bestseller when it was published; it still is in demand throughout the U.S. Now in a new updated hardcover edition, Ball Four will reach a whole new generation of avid baseball fans. In fact, Ball Four has been selected by the NY Public Library as one of the Books of the Century. And David Halberstam writes: a book deep in the American Vein, so deep in fact that is by no means a sports book. Bouton has written a baseball book about the reality of the game.
