## BOOK SYNOPSIS

Leaving your child in the care of others can be extremely stressful. But knowing that your choice in childcare is right for both you and your child makes a huge difference to how you cope with juggling work and home life. Essential reading for anyone wishing to make an informed choice about childcare, the book covers all the different options, both inside and outside the home. It includes the pros and cons of each type of care, key facts such as hours, cost, and qualifications, plus helpful advice on what to look out for and how to interview a carer.
