BOOK SYNOPSIS

Are the methods youve used before no longer working? Are you frustrated that traditional approaches produce unsatisfactory results? Now theres a new and better way to work with your athletes, team, and others on your coaching staff - one that will add to your coaching repertoire and your win totals. Creative Coaching is a strategic handbook for addressing the challenges of coaching modern athletes and maximizing their sport performance. Written by one of this countrys top coaching consultants, the book presents innovative techniques that apply to a wide variety of situations to help you meet the challenges of your role as coach.
