BOOK SYNOPSIS

On the verge of the D-Day invasion, a covert British operative must race against the clock to rescue a stranded soldier and secure Allied victory. In May of 1944, shipwrecked American Colonel Hugh Kelso washes up on the shore of Nazi-occupied Jersey with a valuable secret. As one of the few men with knowledge of the impending invasion of Normandy, Kelso must be protected at all costs. Enter Henry Martineau, a British operative charged with the dangerous mission of impersonating a Nazi officer to infiltrate Jersey and retrieve—or silence—Colonel Kelso. The stakes couldn't be higher as the fate of the war hangs in the balance.
