BOOK SYNOPSIS

Sometime around 1500 A.D., an African farmer planted a maize seed imported from the New World. That act set in motion the remarkable saga of one of the worlds most influential crops--one that would transform the future of Africa and of the Atlantic world. The recent spread of maize has been alarmingly fast, with implications largely overlooked by the media and policymakers. McCanns compelling history offers insight into the profound influence of a single crop on African culture, health, technological innovation, and the future of the worlds food supply.

MAIZE AND GRACE AFRICAS ENCOUNTER WITH A NEW WORLD CROP

1500-2000 - Are you looking for Ebook Maize And Grace Africas Encounter With A New World Crop 1500-2000?
