## BOOK SYNOPSIS

Human resource management (HRM) is the strategic and coherent approach to the management of an organizations employees. As the need for effective and top staff rises, Managing the Global Workforce provides the most up to date and topical information on accessing human resource management. Written by Paula Caligiuri, an author recognized as one of the most prolific authors in the field of international business for her work in global careers, this book covers the full range of strategic, comparative, and cross-cultural issues affecting the way a workforce is managed globally.
