BOOK SYNOPSIS

Sexy how-to photography and everything you need to know about 50 wild sex positions all in a deck of easy to carry around cards For couples who might be stuck in a one-position nooky rut, Position Sex Card Deck gives couples quick ideas on how to spice up their sex life and be more adventurous in the bedroom (or any room, counter, or chair in the house.) Each card offers a four-color photograph of a wild sex position with its name, for example the Carnal Crossbow. On the flip side, text, condensed from Position Sex, explains how to arrange the position and details the challenges and pleasures specific to each move. The deck features full-color photographs of each hot, new position, as well as acrobatic variations on good old standbys, such as the missionary position. The Position Sex Card Deck takes the successful how-to sex book Position Sex and reorganizes it on convenient, easily referenced cards so lovers can take position tips straight to bed as they expand their bedroom repertoire.
