BOOK SYNOPSIS

DESTINED FOR DOOM—OR DESIRE? Growing up on the Isle of Moon, Brigitta knew that she was born with the magical powers of the Embraced—even if she did not know how to wield them. But she has finally learned the truth: Brigitta is the lost princess of the kingdom of Tourin. She was sent into hiding as an infant to escape the wrath of her half-brother, the king. And now he knows just where to find her. . . Rupert is a notorious pirate and sorcerer who can harness the wind with his hands. He's spent most of his life plotting revenge on the evil king—and Rupert believes that Brigitta could be the key to finally destroying his enemy. But what begins as a kidnapping of the innocent beauty escalates into something deeper, and more passionate, than either captor or captive could have imagined. Rupert soon vows to protect Brigitta against the king—but will they survive long enough to find their happily-ever-after. . .or does fate have something else in store?
